

PIZZA FRIDAY

It's almost time for the First Session of the PTSA sponsored optional lunch program, Pizza Friday!

The First Pizza Friday session will start on Friday, September 27, 2019.

The PTSA is now *only* accepting registration and payment online using CheddarUp. It's simple and secure!

To sign up, please go to: <https://hillside-elementary-pizza-friday-2019-20-session-1.cheddarup.com>

The cost of any service fees will be absorbed by the PTSA, and you are able to register and pay securely via credit card or e-Check. **Payments must be made by Monday, September 23rd.**

If you are not able to pay online and need to pay via money order, please email Katie Appel Duda: Kjappel@gmail.com to arrange registration and payment. Please do **NOT** send in cash, money-orders or checks to school. Please be aware that no refunds are given for Fridays missed because of field trips, snow days, absence from school or any other reason. Also, you may not change the number of slices after the session starts. Please make sure that your child understands this policy.

The PTSA provides financial assistance to any family who is in need. Please contact Janet Pesto at 914.478.6270 in the school office to arrange to have the PTSA cover the cost of your child's pizza.

VOLUNTEER! If you would like to volunteer to serve pizza on Fridays (typically a volunteer will serve pizza about 3-4 times over the course of the session), **please sign up here:**

volunteersignup.org/RLP9B

For questions about volunteering to serve pizza on Fridays, please email Jennifer Angell-Greene: angellscafe01@gmail.com.

Warning: If your child has a food allergy that prevents her or him from eating pizza, please be sure to instruct your child never to accept pizza, even if it is mistakenly offered. You can make arrangements to get your child special non-allergenic pizza directly through the pizza vendors. Please contact: Katie Appel Duda - Kjappel@gmail.com for questions with special pizza (gluten-free, no cheese, etc), orders registration, and payment.
